CHESTERFIELD AND NORTH DERBYSHIRE ROYAL HOSPITAL.

HISTORY.

THE Hospital was founded by Deed of Trust in 1854 and with it was incorporated a Dispensary, established in 1800 for the benefit of such poor people "as have not relief from the Parish and are unable to pay for medicine and assistance themselves."

The premises taken over for the Hospital were situate in St. Mary's Gate, opposite the Church, and were rented from Mr. Richard Dixon for £15 per annum, the rooms comprising a "parlour," a "front room," a "sitting room," two "lodging rooms" and two "attics."

The first meeting of the Board of Management was held on the 3rd May, 1854, when the Duke of Devonshire was elected President.

The Income for the first year was £714 18s. 4d., and the Expenditure, including equipment, amounted to £360 6s. 8d. The In-Patients numbered 10.

The Hospital accommodation, however, soon proved inadequate, and Durrant Hall and Grounds were purchased from the Duke of Devonshire for the nominal consideration of £100.

The Hall was demolished with the exception of the kitchens, which were utilised as part of the present buildings.

The foundation stone was laid on the 28th September, 1859, by the Rt. Hon. Spencer Compton Cavendish, Marquis of Hartington (afterwards the 8th Duke of Devonshire). The ceremony was preceded by a Public Breakfast and the stonelaying was carried out with full masonic honours, and in June, 1860, the Hospital was opened for the admission of cases.

In 1863 a special appeal was made to those employed in or about the Collieries, Manufactories and Railways of the district to support the Institution "expressly designed for their own benefit," and the workmen at a number of concerns consented to a deduction from their wages of sums varying from a farthing to a penny per week, and in the following year the Hospital had working men representatives elected by popular vote to sit on the Board of Management. This system has greatly extended and in 1935 the workpeople in the Hospital area contributed the very large sum of £15,675 18s. 2d. It should be noted that the employers have, by arrangement, agreed to contribute 33½ per cent. of the money contributed by the employees. The Board of Management includes, also, 12 working men representing the different industries and trades.

The Devonshire Ward and a new Dispensary were added in 1873, and the Portland Ward in 1890, bringing the accommodation for patients up to 60 beds.

In 1901 the late Alderman Edward Eastwood purchased from the School Board the Durrant Road School and the Board's Offices adjoining, and presented them to the Institution fully equipped for the purpose of two Medical Wards, the male Ward being named after the Donor and the female Ward after the late Earl Manvers, who performed the opening ceremony in April, 1902.

A Röntgen Ray apparatus was installed in 1903.

In 1904 the late Alderman Edward Eastwood gave to the Hospital a piece of land adjoining the Hospital, on which was subsequently erected a Nurses' Home, thus setting free, for the accommodation of further patients, the whole of the top floor of the original buildings. An Ophthalmic Department was also inaugurated. The alterations and extensions were carried out in 1907 and 1908 and provided for an increase of 39 surgical and ophthalmic beds, a Nurses' Home to accommodate all the Nursing Staff, an anaesthetic room, and a Mortuary, bringing up the total bed accommodation to 110.

On 29th July, 1908, the Nurses' Home was opened by the Duchess of Devonshire.

The Basil Ward of 20 beds, given by the late Mr. Charles Markham in memory of his brother, the late Sir Arthur Basil Markham, was opened on November 9th, 1916, making the total bed accommodation 150.

In January, 1918, the Royal Patronage was bestowed upon the Hospital, the title being changed to "The Chesterfield and North Derbyshire Royal Hospital."

The Orthopaedic and Electrical Department was opened early in 1919, the Nurses' Dining Room being appropriated for this purpose, and the Board Room utilised for the Nurses' Dining Room.

In 1919 the late Ald. G. A. Eastwood gave to the Hospital Holywell House and grounds, on which a new Out-Patient block was erected, comprising Consulting rooms, Ophthalmic Examination room, Casualty room, Orthopaedic, Electrical and Massage rooms, Pathological Laboratory, X-Ray rooms, etc. Alterations were made to Holywell House, providing accommodation for 23 members of the Nursing Staff. A Laundry was also erected and opened in 1923, the cost of the alterations and extensions amounting to £50,029 16s. 8d.

The old Out-Patient Department was adapted for the use of the Resident Medical Staff, which now numbers five, and considerable improvements were made in the old administrative block.

In 1923 the late Mr. Charles Markham gave shares to the value of £10,000 for the purpose of providing additional beds for women and children, and the Staveley Ward was built over the Devonshire Ward, bringing the total bed accommodation for patients up to 190. The addition of this Ward necessitated further accommodation for the Nursing Staff, and an annexe was built to Holywell House containing 18 rooms.

In 1926 an appeal was made by the Mayor of Chesterfield for providing a Wireless Installation, and every adult bed is now fitted with headphones, the Children's Ward having a Loud Speaker.

In 1931, a New Block of two storeys was opened by the Duke of Devonshire, the capital cost being £22,035. It contains on the first floor a Ward of 31 beds, called the Murphy Ward, to commemorate the legacy of £10,000 bequeathed by the late Mr. Thomas Murphy. The ground floor comprises a new Ophthalmic Out-Patient Department, a complete Theatre Unit for the use of this Department and the Ear, Nose and Throat Department, and a Laboratory for the Pathological Department. Eighteen additional rooms for the Nursing and Domestic Staffs were added to Holywell House. 126 milligrammes of Radium and the necessary accessories were purchased and a building erected for the Department, the total cost being £2,135. An X-Ray Film Store was also built. The bed accommodation for patients is now 220.

A Psychiatric Clinic for the treatment of nervous disorders was opened in September, 1934, and a Fracture Clinic and Chiropody Department in the following year.

OFFICERS FOR THE YEAR 1935.

President:

HIS GRACE THE DUKE OF DEVONSHIRE, K.G.

Vice-Presidents:

BRIG.-GEN. G. M. JACKSON, D.L., J.P.	E. C. BARNES, C.B.E., D.L., J.P.
MRS. M. H. MARKHAM, J.P.	M. S. BRODHURST.
	R. OWEN.

Trustees:

M. S. BRODHURST.	THEO. PEARSON, J.P.
T. H. BARNES.	E. D. SWANWICK.
	MAJOR H. H. JACKSON, J.P.

Treasurer:

F. JACKSON.

Board of Management:

THEO. PEARSON, J.P., <i>Chairman.</i>
E. C. BARNES, J.P., <i>Vice-Chairman.</i>
G. J. EDMUNDS, J.P., <i>Vice-Chairman.</i>

W. V. HASLAM, A.M.I.E.E.

Matron:

MISS M. A. BERRY, A.R.R.C.

Assistant Matron:

MISS A. M. SWAIN.

Superintendent and Secretary:

G. SUNNUCK.

Assistant Secretary:

E. BARBER.

It was with great regret that the Board of Management learned of the death of His Majesty King George V. His late Majesty honoured our Hospital by conferring upon it the title of "Royal" in recognition of the work done here during the War on behalf of our wounded soldiers and the sick and suffering of the district.

At the meeting of the Board of Management held on January 23rd, 1936, the following resolution was passed:—

"That the Board of Management, Medical Staff, Nursing Staff and Patients of the Chesterfield and North Derbyshire Royal Hospital humbly express to Her Majesty the Queen our deep sorrow in the loss she and the nation have sustained, and assure her of our loyal affection and sympathy in her bereavement. May we also express to His Majesty King Edward VIII our respectful loyalty upon his accession to the throne. We know his sympathy in the work we are engaged in. He has shewn it often by word and deed. May he have long life and health to reign over us, and may God give him strength to carry the great burden of kingship that he is now called upon to shoulder."

Chesterfield and North Derbyshire Royal Hospital.

REPORT

Of the Board of Management for the Year ended 31st December, 1935.

The Board of Management beg to present their Annual Report and Statement of Accounts for the past year ended 31st December, 1935, this being the 82nd year since the establishment of the Hospital.

It is with great regret that the Board have to report the death of Mr. Sam Berresford. Many will remember the series of anonymous donations which commenced in 1926 with a gift of £1,000 for the endowment of a bed. This was followed in 1927 with donations of £3,000 and £1,000 in 1928, and £1,000 for the purchase of Radium in 1930. All these donations were made by Mr. Sam Berresford, and by his express wish were to be anonymous until after his death. In addition he made further gifts of £250 to the Radium Fund and £100 to the General Fund. These two latter gifts were not anonymous. In accordance with the wishes expressed some years ago by the late Mr. Berresford, tablets in the names of members of his family have been affixed over five beds, three in the Staveley Ward and two in the Markham Ward. Although not taking an active part in the work of the Hospital, Mr. Berresford had been for many years a member of the Elective Committee and his death is a serious loss to the Institution. The Board desire to place on record their very sincere regret and their great appreciation of his generous benefactions.

In last year's Report it was stated that it had been decided to inaugurate a Fracture Clinic, and early in the year the Board were fortunate in securing the services of Mr. F. Crooks, M.B., B.A.O., M.Ch., F.R.C.S. (Edinburgh), of Nottingham, as Director of the Fracture Clinic. The new Department is proving of great benefit to the numerous accident cases with which the Hospital has to deal.

Dr. C. O'Brien has resigned his position as Honorary Anæsthetist, and has been appointed Honorary Consulting Anæsthetist.

Dr. J. E. King, M.B., Ch.B. (Sheffield), and Dr. D. K. Ballingall, M.B., Ch.B. (Glasgow), have been appointed additional Honorary Anæsthetists.

The Psychiatric Clinic has now been in operation over twelve months and has been of very great help to a large number of persons.

During the year Chiropody treatment for patients was inaugurated under the charge of Mr. George Carter, M.N.I.Ch., M.N.Ch.A., and will no doubt prove a very valuable addition to the existing services.

FINANCE.

Expenditure.

The statement of Accounts shows that the Ordinary Expenditure for year was £29,649 19s. 9d., against £27,831 0s. 8d. in 1934, and Special Expenditure £673 1s. 1d., making a total of £30,323 0s. 10d., exclusive of the cost of the Venereal Department, £1,407 8s. 10d., which is defrayed by the County Council.

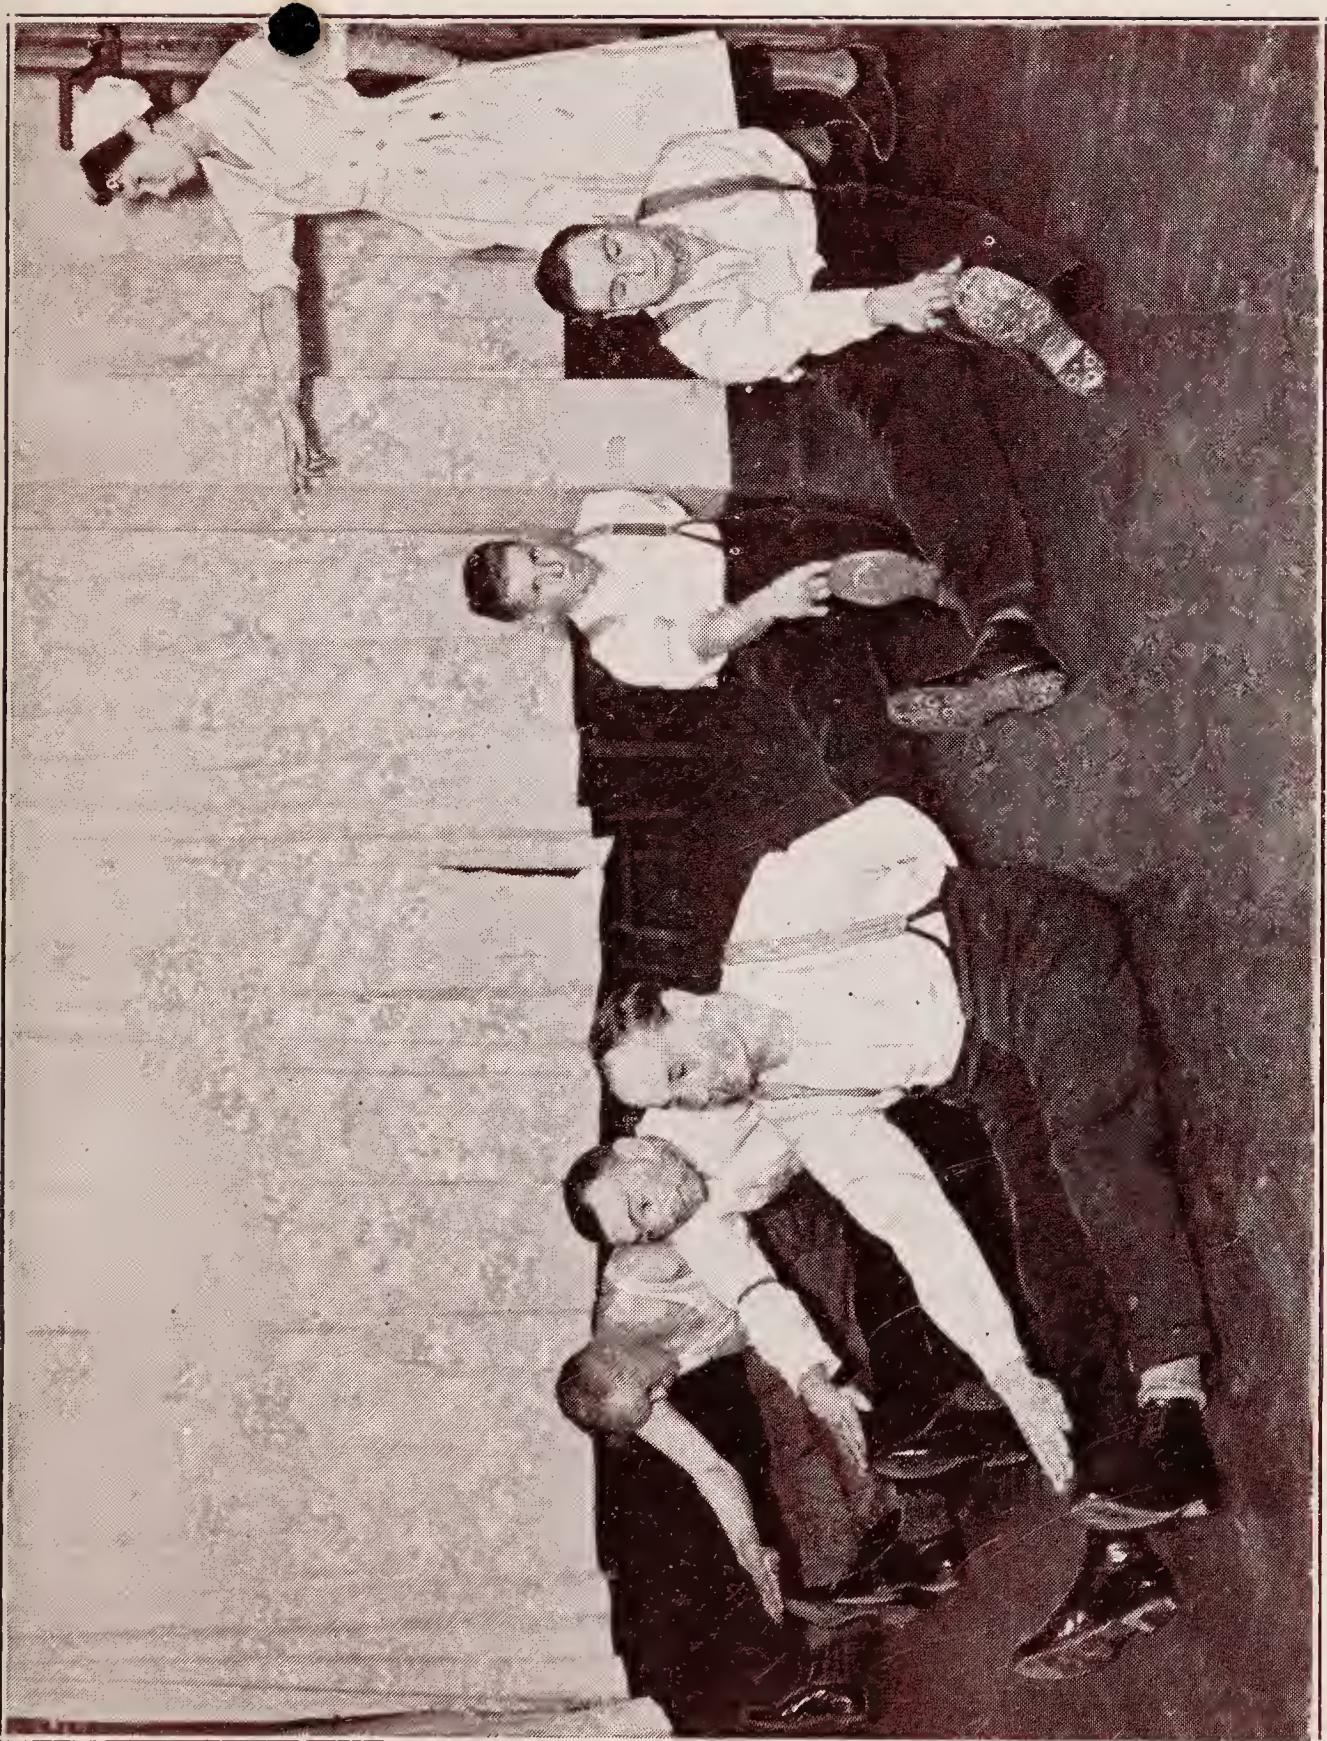

The Ordinary Expenditure was £1,818 19s. 1d. more than in 1934, and this increase is chiefly accounted for by the additional number of patients treated and expenditure in connection with the establishment and maintenance charges of the Fracture Clinic.

During the year a number of minor improvements in the Hospital have been made, and the exterior of a large part of the Hospital has been painted. It has been found necessary to replace two large gas ovens in the Kitchens at a cost of £170 15s. 0d.

Extraordinary Expenditure was £673 1s. 1d. This included the sum of £588 9s. 1d. for alterations and improvements in the X-Ray Department, which has been met by a grant for this amount by the Derbyshire Miners' Welfare Committee. There is still £46 4s. 3d. to be received from this Committee out of the grant of £1,600 referred to in the previous Report, and this will be devoted to further improvements in the X-Ray Department.

Income.

The Ordinary Income was £27,466 4s. 3d., against £27,207 3s. 4d. in 1934, an increase of £259 0s. 11d. Whilst the Income received from Workpeople amounted to £15,675 18s. 2d., the largest sum ever received from this source, it is very much to be deplored that there has been a decrease of £167 9s. 3d. in the Annual

Modern Gymnastic Exercises being carried out by men who have suffered from recent fractured spines. The benefits to the individual of modern methods can be seen at a glance when the expression on the faces of these patients is noted.

Subscriptions, £43 13s. 8d. in the amount of Church Collections, and £145 19s. 3d. from Hospital Committees. The Income from Hospital Committees includes £750 received from the Chesterfield Royal Hospital Voluntary Workers' Association. This sum includes £82 gross, £59 18s. 7d. net, received from the Stock Exchange Dramatic and Operatic Society in connection with the sale of "Help Yourself" Annuals. The best thanks of the Board are offered to the Chesterfield Royal Hospital Voluntary Workers' Association for the great amount of work done by members of the various Committees during this and past years.

The amount received from Approved Societies amounted to £492 11s. 11d., a decrease of £53 16s. 1d. compared with 1934. The bulk of this sum has been received from the Prudential Approved Society and the Sheffield Equalized Independent Druids, and notification has been received from these Societies that, owing to depleted funds, there will be no payments from this source to Hospitals during the coming year.

The amount received in respect of Motor Accidents was £466 17s. 6d. Although this sum is £47 4s. 4d. more than the previous year this amount is considerably less than the cost to the Hospital of road accidents.

The first payment of £30 has been received during the year from the Chesterfield Operatic Society in respect of the endowment of a Cot in the Children's Ward.

The Income includes the following donations:— £37 15s. 0d. in respect of Councillor Mitchell's Sports; £38 3s. 9d. from the Chesterfield Corporation Allotments Committee and Chesterfield Smallholders' Association, Ltd.; £56 7s. 3d. from the Chesterfield Football Club; £50 from the Chesterfield Royal Hospital Whist Shield Competition; £47 7s. 8d. from the Hospital Football Cup Competitions Committee; £25 from the Chatsworth Admission Fund; £20 from the Derbyshire Federation of Homing Societies; £55 15s. 0d. from the Chesterfield Tube Works Sports Club; and £33 13s. 7d. from the Chesterfield Royal Hospital Staff Dance. To these generous donors, to the various Committees and to the Directors of the Chesterfield Football Club, we tender our sincere thanks.

There is a deficiency between Ordinary Income and Ordinary Expenditure of £2,183 15s. 6d.

The accumulated deficiency for the past four years has now reached the alarming sum of £5,178 8s. 5d. The position created by these deficiencies has ~~had~~ the careful consideration of the Board.

Reference has been made in previous reports to the increased contributions, i.e., from twopence to twopence halfpenny per week paid by the majority of the work-people in the district, and the Board are still of the opinion that a weekly contribution of this amount would more than meet the present needs of the Hospital if it were paid by all employees in the Hospital area. There are, however, still a number of firms where employees have not yet made the increase in their contributions, and the Board make a special appeal to them to fall into line at once.

There are, moreover, a number of employees of traders, farmers and small firms in the district who do not contribute at all or on a very reduced scale. Many appeals have been made to them in the past with little or no result. In view of this, and of the serious financial position, the Board have come to the conclusion that the time has come when, in common with the majority of hospitals, they must charge non-contributors the cost of their treatment in the Institution.

Mr. W. E. Wakerley has entered into a Deed of Gift whereby a sum of £1,000 is to be paid to the Hospital within a year of his death, and in the meantime he will pay interest on this sum at the rate of 4% per annum. The Board greatly appreciate Mr. Wakerley's generosity. A Tablet has been placed over a bed in the Staveley Ward in memory of Mr. Wakerley's mother.

The following Legacy has been received:—The Executors of the late Mrs. Alice Mason, £30. This has been placed to the credit of the Capital Account.

The Legacy of £10,000 bequeathed by the late Mr. G. A. Eastwood, referred to in the previous Report, has now been received. This was earmarked by the testator for the purpose of building new Medical Wards, and the amount has been invested in £10,231 2s. 2d. London Electric Transport Finance Corporation 2½% Guaranteed Debenture Stock, 1950/55.

A contribution of £1,000 has been received from the Chesterfield Corporation for the purpose of endowing two cots in the Children's Ward, to commemorate the Silver

Jubilee of King George V., and this has been placed to the Capital Account (Endowments). As a sequel to this the Mayor of Chesterfield for the time being has been appointed a member of the Board of Management.

Donations in commemoration of King George V's Silver Jubilee have been received as follows:—Staveley Coal & Iron Company, Limited, £3,500; The Bolsover Colliery Company, Limited, £1,000; The Sheepbridge Coal & Iron Company, Limited, £1,000; The Sheepbridge Stokes Centrifugal Castings Company, Limited, £100; and the Shirebrook Colliery, Limited, £200. These sums (total £5,800) have been placed to a Suspense Account, and the Board are considering the building of a new Operating Theatre in place of the existing Theatre, the position of which is not now convenient owing to the growth of the Hospital. The need of improving the Kitchen accommodation is also urgent.

The Board again desire to place on record their very great appreciation of the continued activities of the Linen League, inaugurated in 1932. This year all records have been surpassed, and bed linen and various articles to the approximate value of £395 have been supplied to the Hospital, and, in addition, many extra comforts have been supplied to the patients.

The Egg Collection organised by the Chesterfield and District Agricultural Discussion Society resulted in 43,533 eggs being received. A larger number were this year placed in cold storage, and this arrangement has proved very satisfactory. The Board tender their most sincere thanks to the Society and to all the collectors, including the school children, for their work in connection with it.

The Board also tender their most grateful thanks to all classes of subscribers for their generous assistance, to the Hospital Committees (£1,751 3s. 7d.), the workers of the Women's Medical Ward Fund (£571 6s. 0d), and the Alexandra Rose Day Fund (£170), for their efforts on behalf of the Hospital, and sincerely trust that, in view of the very serious deficiencies, they will make even greater efforts during the coming year.

IN-PATIENTS AND OUT-PATIENTS.

During the year 1935, 3,053 patients were admitted to the Hospital, being 37 more than in 1934. At the close of the year 1934 there were 190 patients in the

Institution, so that 3,243 in all have received In-patient treatment, being an increase of 74 compared with 1934.

Of the 190 patients remaining in Hospital at the end of 1934, 170 were cured or relieved, nine unrelieved, four died, and seven were transferred to other Institutions.

Of the 3,053 patients admitted during 1935, there were:—

2451	Cured or relieved.
205	Unrelieved.
200	Died.
9	Left at their own request.
54	Transferred to other Institutions.
134	Remaining in Hospital.

3053

The total number of deaths of patients admitted during the year was 200, of which number 69 died within 48 hours of admission.

There have been 4,786 cases in which anæsthetics have been administered during the year, the number of operations performed being 4,947.

There were 5,943 persons X-Rayed during the year, and in the Diathermy Department 35 patients made 205 attendances. Screen examinations numbered 642. In the Ultra-Violet Ray Department 49 cases were dealt with, the number of attendances being 1,169.

During the year, 9,007 patients were treated in the Out-patient Department, as compared with 8,145 in 1934.

Medical and Surgical	4,110
Orthopædic and Fracture Clinic	...		1,089
Ear, Nose and Throat	1,511
Ophthalmic	1,630
Dental	526
Psychiatric	141
			<hr/>
			9,007

In addition to the above, 6,553 cases were treated in the Casualty Department, of which number 1,318 persons ultimately became In-patients.

In the Orthopædic, Electrical and Massage Department the attendances numbered 30,919.

The total attendances of Out-patients, excluding the Venereal Department, numbered 95,189.

In the Special Department dealing with Venereal Diseases, the number of new cases dealt with was 224. During the year, 164 persons were discharged cured. The whole of the expenses in this Department are borne by the County Authorities.

GENERAL.

During the year further improvements have been made in the X-Ray Department at a cost of £588 9s. 1d. This expenditure has been met out of the grant of £1,600 made by the Derbyshire Miners' Welfare Committee, and leaves a balance of £46 4s. 3d. still available for this purpose.

The arrangements for the provision of Blood Donors made by the members of the St. John Ambulance Brigade and Rover Scouts have again proved very satisfactory, and the Board tender their thanks to all who have given their services. A number of Volunteers have responded to an appeal for additional Donors, but it is very desirable that the list should be still further augmented.

The scheme under which subscribers benefit the Hospital by signing an Agreement (a copy of which appears on page 67) has been adopted by several more subscribers during the year. By this method the Hospital will receive a further 6/1 for each £1 1s. 0d. subscribed (with Income Tax at 4/6 in the £). It is earnestly hoped that in the coming year more subscribers will help the Hospital in this way.

The Library, of which members of the "Toc H" act as librarians, has been continued, and has been a source of great pleasure to the patients, and thanks are accorded to all helpers in this connection.

The Canteen run by the ladies' section of "Toc H" has continued its most useful work in supplying refreshments to patients attending the Out-patient Department. As in the past this has proved a great boon, and hearty thanks are given to the ladies who devote so much time and trouble to this useful work.

Numerous gifts have been presented to the Hospital during the year, and the Board desire to express their thanks to the donors.

THEO. PEARSON,
Chairman of the Board of Management.

ANNUAL SUBSCRIPTIONS

For the Year ending December 31st, 1935.

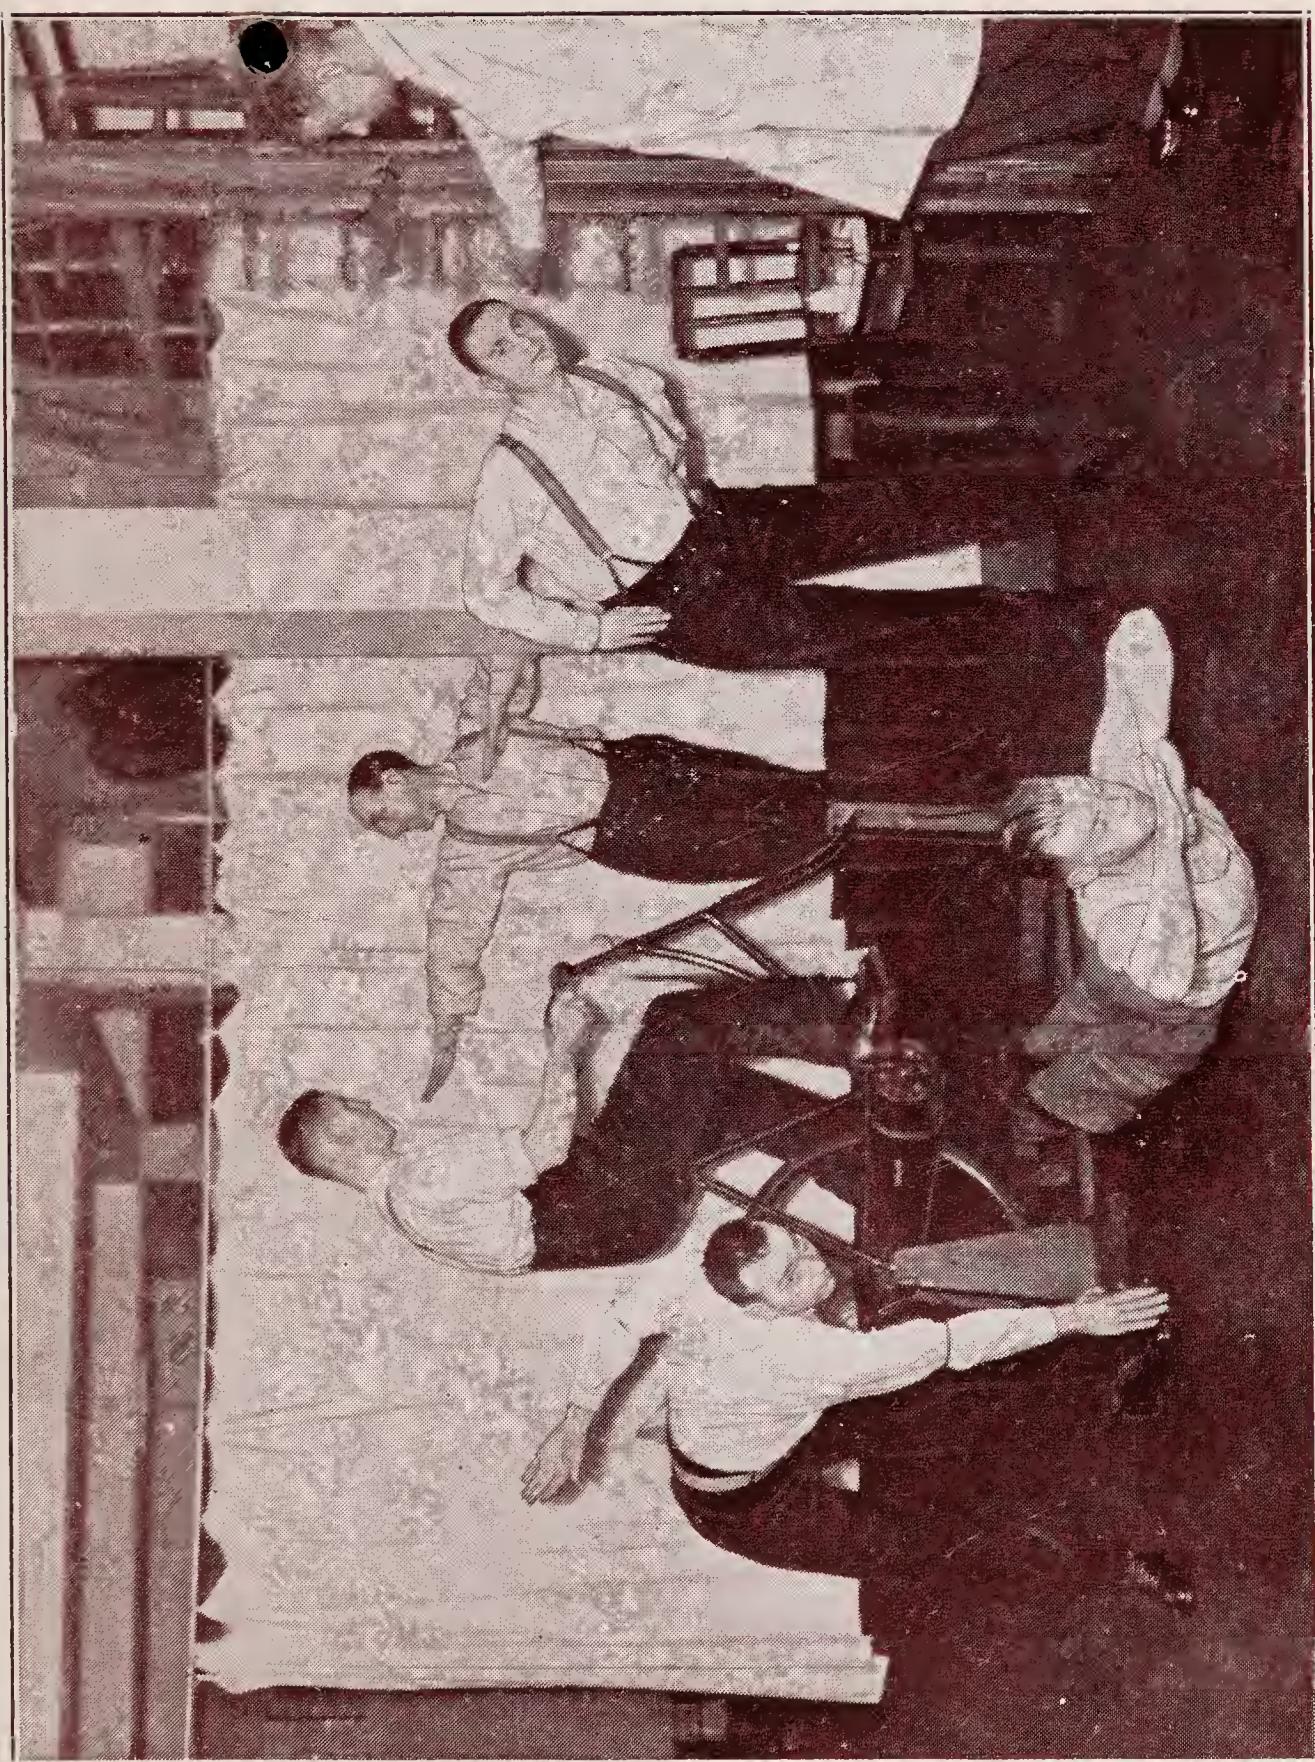

Subscribers marked thus * have signed an agreement to pay their subscriptions for seven years or their lifetime, whichever is the shorter. This will enable the Hospital to recover the Income Tax paid by the Subscribers on the amount of their subscriptions. Full particulars of this method of increasing the Hospital's income appear on page 66.

Modern Gymnastic Exercises being carried out by men who have suffered from recent fractured spines. The benefits to the individual of modern methods can be seen at a glance when the expression on the faces of these patients is noted.

WOMEN'S MEDICAL WARD FUND.

President—Miss S. B. Eastwood, J.P.

Hon. Secretary—Mrs. A. W. Swale, Hady House, Chesterfield.

Collections for the Year ending December 31st, 1935.

1935—The Chesterfield Operatic Society Cot	£30

Beds Named in Consideration of a Payment to the Capital Account.

1926—The Elizabeth Lowe Bed	£1034
-----------------------------	-----	-----	-----	-----	-------

GIFTS OR BEQUESTS.

The Board of Management wish to draw the attention of the benevolent public to the fact that a bed may be named in perpetuity upon receipt of £1,000, or of a legacy of the same amount (free of duty) specially bequeathed for this purpose, and that a cot may be named under the same conditions upon payment of £500.

A tablet with an inscription recording the names of the benefactors, or that of relatives or friends whom it is desired to commemorate, would be affixed to the bed so appropriated.

Recovery of Income Tax on Annual Subscription.

By filling up a Form similar to the one on page 67 you add value to your present subscription and you will benefit the Hospital to the extent of another

6/1 on each Annual Subscription of One Guinea.

YOU still pay the same amount—but by executing a DEED OF GIFT you enable the Hospital to claim Income Tax thereon.

Subscribers to a Hospital who give a written agreement that they will pay their subscriptions for a period of seven years or during their lifetime, whichever shall be the shorter, will enable that Hospital to recover the Income Tax paid by the subscriber; and, further, the subscriber, if a super tax payer, may deduct the gross amount of his annual subscription from the amount of income which he returns as assessable for super tax.

With Income Tax at 4/6 in the £1, the following example is given in respect of an annual subscription of £1 1s. 0d. (the figures applicable to larger subscriptions are in proportion):—

For every £1 1s. 0d. of annual subscriptions the Hospital will recover 6/1, and the subscriber who now gives £1 1s. 0d. annually will have the satisfaction of knowing that this £1 1s. 0d. will be worth £1 7s. 1d. to the Hospital, without any additional expense to the subscriber and without any trouble, as the Hospital will recover the amount from the Income Tax authorities.

In view of the large additional income which may accrue to the Hospital in this way, without any trouble or expense to subscribers, it is hoped that all subscribers will fill in the attached form.

It will not be necessary for subscribers who have given Bankers' orders to alter that order in any way.

The Secretary of the Hospital will gladly give further information and will prepare a Deed upon request.

If all our subscribers were to use the form appearing on page 67 our income from subscriptions would be considerably increased.

Christmas Day in Murphy Ward.

4

AGREEMENT TO CONTRIBUTE TO
THE CHESTERFIELD AND NORTH DERBYSHIRE
ROYAL HOSPITAL.

I,
of
in the County of.....
HEREBY COVENANT WITH The Chesterfield and North Derbyshire Royal Hospital that for seven years from theday of.....193..., or during my lifetime, whichever period shall be the shorter, I will pay annually to the said Hospital such a sum as will leave, after deduction of Income Tax at the rate for the time being in force, the sum of £ : : such sum to be paid from my General Fund of Taxed Income, s, that I shall not receive any personal or private benefit in any of the said years from the said sum or any part thereof.

The payment for each year to be deemed for the period of the current tax year.

In witness whereof I have hereunto set my hand and seal this

.....day of
.....193 .

Signed, Sealed and delivered by the said
